

Spawning.SpawnFromPrefab

Spawning.SpawnLatticeStructure
FromJson

References.SortAndAddToObjectList

```
graph LR; A[Spawning.SpawnFromPrefab] --> C[References.SortAndAddToObjectList]; B[Spawning.SpawnLatticeStructure FromJson] --> C; C --> C;
```

The diagram illustrates a flow of data or control. On the left, two rectangular boxes are stacked vertically. The top box contains the text 'Spawning.SpawnFromPrefab'. The bottom box contains the text 'Spawning.SpawnLatticeStructure FromJson'. Arrows from the right side of both boxes point towards a single rectangular box on the right. This box has a light gray background and contains the text 'References.SortAndAddToObjectList'. A curved arrow originates from the top edge of this gray box and points back to its top edge, forming a self-loop.
