The diagram illustrates a dependency or call relationship. On the left, there are two rectangular boxes. The top box contains the text 'IllaControllerV3.DrawEnabled Gizmos'. The bottom box contains the text 'PickLatticeAndInsertInLocation. DrawGizmos'. On the right, there is a single rectangular box with a gray fill, containing the text 'IllaNavigationPath.DrawPath'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the gray box, indicating that both functions on the left call or depend on the function on the right.
