

The diagram illustrates the components of a system, categorized under 'Assets'. A large light blue rectangle with a dashed border contains the title 'Assets' at the top center. Below this title, a solid black rectangular frame encloses three elements: a blue box on the left labeled 'ILLA (Inchworm locomotion lattice assembler)', a blue box in the middle labeled 'Dynamixel control', and the text 'Robot' on the right.

Assets

ILLA (Inchworm locomotion lattice assembler)

Dynamixel control

Robot
