

Lynxmotion.Robotics.Channel
MultiOp.Run

```
graph LR; A[Lynxmotion.Robotics.Channel<br/>MultiOp.Run] --> B[Lynxmotion.Robotics.Channel<br/>Op.Run]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray fill and a black border, containing the text 'Lynxmotion.Robotics.Channel' on the top line and 'MultiOp.Run' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box has a white fill and a black border, containing the text 'Lynxmotion.Robotics.Channel' on the top line and 'Op.Run' on the bottom line.
