

Assets

The diagram illustrates the structure of 'Assets'. It features a light blue rectangular container with a dashed border. Inside this container, the word 'Assets' is centered at the top. Below it, a solid black rectangular frame encloses four elements: 'WorkPackageSystem', 'Static classes', 'EnvironmentScripts', and 'Scripts'. The first three elements are each contained within a separate blue rectangular box with a black border, while 'Scripts' is represented by plain text.

WorkPackageSystem

Static classes

EnvironmentScripts

Scripts
