

ILLAState\_Connected.DrawUI

ILLAState\_EStop.DrawUI

ILLAV3\_Ulelements.EstopAnd  
ReleaseButton

```
graph LR; A[ILLAState_Connected.DrawUI] --> C[ILLAV3_Ulelements.EstopAndReleaseButton]; B[ILLAState_EStop.DrawUI] --> C;
```

The diagram illustrates a call relationship. Two source boxes on the left, 'ILLAState\_Connected.DrawUI' and 'ILLAState\_EStop.DrawUI', both have arrows pointing to a single target box on the right, 'ILLAV3\_Ulelements.EstopAndReleaseButton'. The target box is shaded gray, while the source boxes are white with black borders.
